

INVITATION BUSINESS BREAKFAST

"Gateway to Europe – Logistics Solutions Made in Germany"

Dear Sir or Madam,

Germany offers Turkish companies first-class logistics solutions for distributing their goods in Europe due to its outstanding infrastructure, central location and the availability of a large number of experienced logistics services providers.

Logistics Alliance Germany (LAG) invites you to the 4th business breakfast. You are warmly welcomed to meet representatives of the German logistics industries. Enjoy good conversations and discover possible modes of cooperation.

Please register by November 9, 2018 here:
